tolino[®] vision 6

- **Optimized E-Ink display:** 20% faster response time and improved contrast
- **Lightning fast quad core processor:** For more reading comfort
- **Water protection:** Enjoy a relaxing read in the bath*
- **smartLight:** Adjusts the light according to the time of day
- **Automatic display rotation:** Simple reading in portrait or landscape mode
- **Ergonomic design:** Page buttons for an even more intuitive experience

*Protection against fresh water (depth of up to 2 meters/60 min.)

The fastest of its kind – even more reading comfort thanks to the new quad core processor and improved E-Ink display

The new tolino vision 6 now makes it even easier for you to lose yourself completely in your stories. Together with a new, even more powerful processor, the optimized 7-inch E-Ink display ensures a 20% faster response time compared with its predecessor model. This not only makes page-turning much more enjoyable, but also gives you an overall eReading experience with a new, previously unattained level of comfort.

Relaxing, reading and taking a bath

The tolino vision 6 eBook reader is ready for any eventualities, including a long soak in the bath with your new favorite page-turner. The tolino vision 6 offers water protection and will therefore forgive you for briefly immersing it in the tub.

smartLight: Reading in alignment with your day

For everyone who likes to read before going to bed, we developed smartLight! The new comfortable eReader tolino vision 6 always ensures the most pleasant lighting while reading thanks to its clever color adjustment of the integrated reading light. In accordance with natural daylight the tolino vision 6 switches from cool light in the morning to warm light in the evening. This doesn't interfere with your natural rhythm and allows you to enjoy relaxed reading whatever the time of day. If you are reading in bright daylight, you can also turn the lighting off completely and extend your eReader's battery life even further. Read like the printed page without any annoying reflections from the sun.

Even more space for your favorite books

Over 3 million eBooks are just waiting to be read – browse through all the latest titles around the clock on the tolino bookstores' online shops and download your next page-turner directly to your eReader. The tolino vision 6 has plenty of space for all of your favorite eBooks. Featuring 16 GB of storage space, around 12 GB for your books, you can download and store up to 12,000 eBooks onto your tolino vision 6 and take them with you wherever you go – either at home or on the road.

Limitless freedom – buy eBooks wherever you want

tolino is all about free choice and leaves you to make the decision where you want to buy your eBooks. This means that you can enjoy the full range of eBooks from all available tolino eBook retailers. Load existing EPUB and PDF eBooks onto your tolino vision 6 and read them with ease thanks to the practical features such as the tolino cloud synchronization and the tolino library link.

Weeks of reading pleasure – perfect for your vacation

Even heavy readers will be inspired by its stamina: The tolino vision 6 consumes little power during reading, guaranteeing weeks of reading pleasure. This is not just practical in everyday life, but also makes the tolino vision 6 an ideal travel companion.

Download eBooks directly via Wi-Fi

Looking to download the latest bestsellers or eBook bargains onto your eReader in a matter of seconds? Simply connect your tolino vision 6 to Wi-Fi and browse through the latest page-turners in the integrated eBook shop. Free use of Telekom HotSpots in Germany (after logging in with a bookseller account) also provides you with quick access to the internet.
