*Protected for up to 60 min. in up to 2 m of fresh water

Big stage for big stories: the high-end reader with 8-inch display

The new tolino epos 3 will give you the maximum in reading comfort. Thanks to its large-format 8-inch display, even more text fits on the page, even with large fonts. Therefore you'll have to turn the pages less often, which is especially nice if don't want to break your reading flow when the story is really exciting. You decide how you prefer to turn pages: via the precise touchscreen or with the large page-turning buttons on the edge of your device.

Faster page turning due to the new, more powerful processor

With the tolino epos 3, you will not only turn the pages less often, but also much faster. Due to the optimized E Ink display and in combination with the new, even more powerful processor, the response time is 20% shorter compared to its predecessor. This makes turning pages much more pleasant and gives you a new, previously unattained level of comfort in reading.

Relaxing, reading and taking a bath

With the tolino epos 3 you will enjoy a relaxing reading time out with new, your favorite book - whether in the bathtub, in the swimming pool or at the lake. Thanks to it's water protection, the device is completely protected from water damage and can handle a brief dip without any trouble. So if your tolino epos 3 should accidentally slip out of your hand, just stay calm: your device will not be harmed.

smartLight: the best light during the day and at night

The one and only smartLight ensures perfect lighting at all times on your tolino epos 3. The clever color adjustment oft he integrated reading light adapts automatically and changes in accordance to the time of day – switching from cool white light in the morning to warm white light in the evening. It's perfect for your natural rythm, especially if you like to read before going to sleep. Of course, you can individually adjust smartLight to your preferences, whether you want cool or warm light. If you are reading in bright daylight, you can also turn the lighting off completely and extend your eReaders battery life even further. Read like the printed page without any annoying reflections from the sun.

Even more space for your favourite books

Over 3 million eBooks to choose from - browse the online stores of tolino booksellers around the clock and download interesting new releases to your eReader at any time. The tolino epos 3 offers plenty of space for your reading treasures. Due to the 32 GB storage, of which around 30 GB are for your books, up to 24,000 eBooks can be stored locally on the tolino epos 3 and will always accompany you wherever you are.

Limitless freedom – buy eBooks wherever you want

tolino is all about free choice and leaves you to make the decision where you want to buy your eBooks. This means that you can enjoy the full range of eBooks from all available tolino eBook retailers. You can also load existing EPUB and PDF eBooks easily onto your tolino epos 3 and read them on your eReader thanks to the practical tolino cloud synchronization and the tolino library link functions.
